1 Westergasfabriek Amsterdam

Meeting place for refreshing ideas

Westergasfabriek is a renovated 19th century industrial complex set in modern landscaped parkland - just a stone's throw away from Amsterdam city centre. With 5,000 m² venue space, 14 breakout rooms and 14 hectares of outfield, Westergasfabriek is the perfect location to host a wide variety of events such as congresses, exhibitions, workshops, product launches, dinner parties and fashion shows.

Westergasfabriek's venues are sturdy and ruggedly elegant, with weatherworn walls, high ceilings and huge original roof constructions. The industrial buildings are tastefully renovated and meet all the comforts of modern time, including a high speed fibre-optic network and WiFi throughout the park.

We'll make every effort to ensure your event here is successful. Whether you're looking for an empty venue or a fully serviced event, you'll find what you want at Westergasfabriek.

Are you looking for an inspiring location? Westergasfabriek might be the place for you.

2 Event Venues

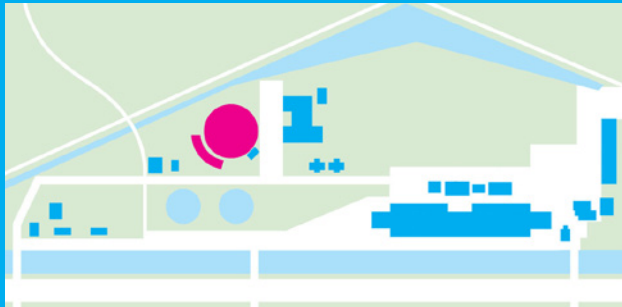

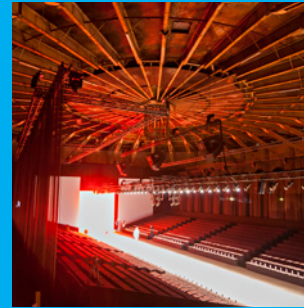

Gashouder

Size: 2.538 m²

Measurements: 14,5 (H) x 53,8 (W) x 53,8 (L)

Capacity: Maximum 3500 p / Theater 2100 p / Seated dinner 1100 p

The Gashouder (Gasholder) is the most iconic building on the Westergasfabriek site. A beautiful circular hall of over 2500 m² where you can literally take your space. The pillar-less interior with an impressive cast iron roof construction is unique in its own. Anyone who visits an event here will surely never forget it.

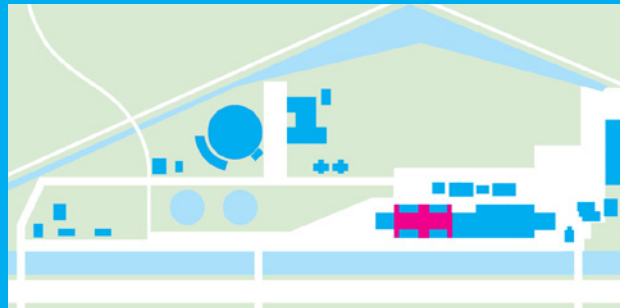

Zuiveringshal West

Size: 1200 m²

Measurements: 17,6 (H) x 18 (W) x 67 (L)

Capacity: Maximum 1500 p / Theater 1000 p / Seated dinner 700 p

The Zuiveringshal West (West Refinery) stretches along the waterside. The listed interior is long and high with weathered walls and a vast iconic ceiling. It is one of Westergasfabriek's most versatile venues.

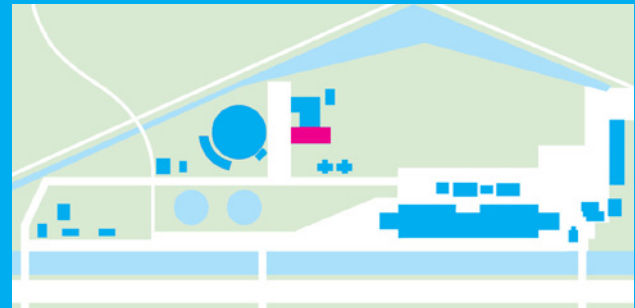

Transformatorhuis

Size: 700 m²

Measurements: 9,7 (H) x 16 (W) x 46 (L)

Capacity: Maximum 750 p / Theater 600 p / Seated dinner 400 p

The Transformatorhuis (Transformer House) is a charming building with an exceptional timber roof construction and long, high windows. The Transformatorhuis is situated next to the Gashouder.

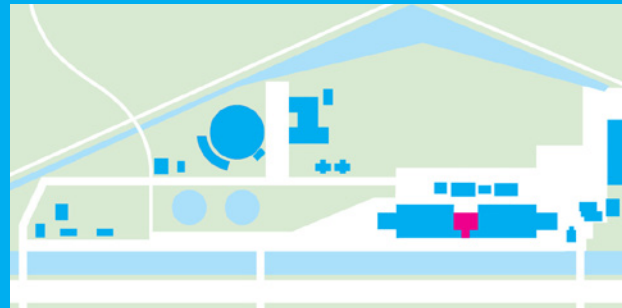

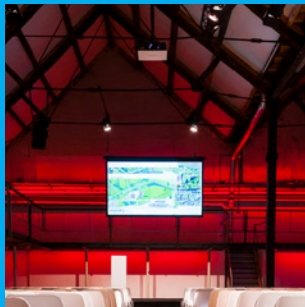

Openbare Verlichting

Size: 480 m²

Measurements: 10 (H) x 20 (W) x 24 (L)

Capacity: Maximum 400 p / Theater 250 p / Seated dinner 220 p

At the center of the long Zuiveringsgebouw on the Pazzanistraat is the Openbare Verlichting (Public Lighting). This unadorned hall has a striking mezzanine balcony running around the interior. The space is equipped as a turnkey congress setting. It is situated adjacent to the Zuiveringshal West and opposite the Machinegebouw (Machine Building). These buildings are often combined for hosting larger events.

Machinegebouw

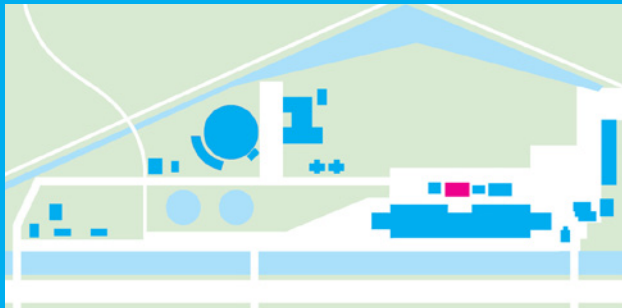

Size: 330 m²

Measurements Main hall: 12,1 (H) x 11 (W) x 24,7 (L)

Measurements Chapel: 10,9 (H) x 5,5 (W) x 8,7(L)

Capacity: Maximum 265 p / Theater 200 p / Seated dinner 180 p

The Machinegebouw (Machine Building) is one of the smaller event locations. The rugged factory building has high arched windows that give it a church-like atmosphere. The building is completely freestanding and offers two spaces: a light hall with a wooden roof and a smaller adjoining room known as 'the chapel'.

Westelijk Meterhuis

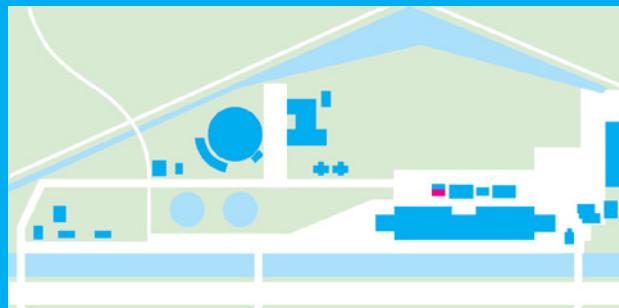

Size: 70m²

Measurements Main meeting room: 7,5 (H) x 4,8 (W) x 5,9 (L)

Measurements Breakouts 1 & 2: 2,7 (H) x 2,9 (W) x 3,4 (L)

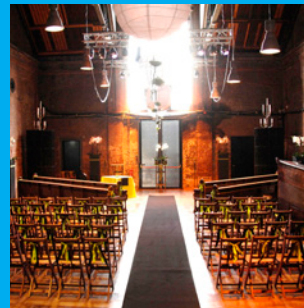

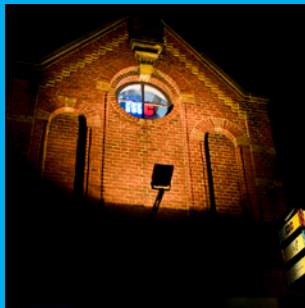

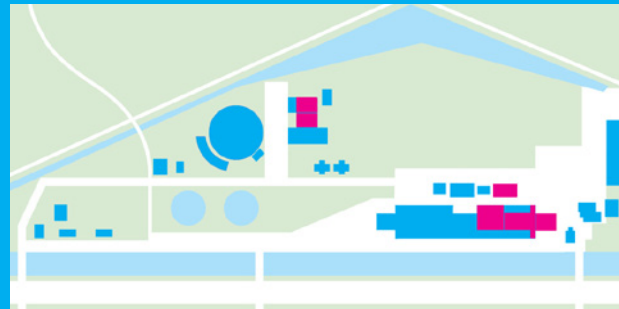

Capacity: Maximum 40 p / Theater 24 p / Meeting 14 p

The Westelijk Meterhuis (Western Meter House) proves that good things come in small packages. This modestly sized building on the corner of the Pazzanistraat is fully furnished and has four separate rooms. This makes it flexible to use for meetings, trainings, breakout sessions, workshops or as temporary office space. The Westelijk Meterhuis is often used as a production office or press centre for larger events.

Break out venues

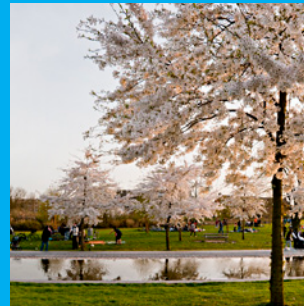

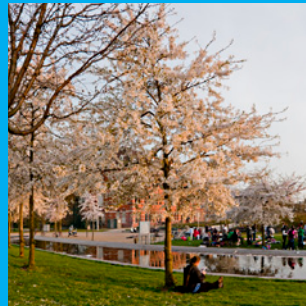

Westergasfabriek BV rents out sixty percent of the buildings on the site to permanent occupants. These tenants include creative businesses, cultural organisations and several entertainment venues. Some of these locations are also available to hire for congresses, festivals and other events. A total of 14 break outs are available, mostly fully equipped (including bars, furniture, light and sound). They are frequently used in combination with the Westergasfabriek event venues.

Westerpark

Manifestation area, Canal promenade, squares and others
Total size: 14 hectares

The buildings of Westergasfabriek are situated in a beautiful modern city park. It is frequently used for outdoor events, often in combination with the venues. It gives many opportunities to give a real 'festival flair' to an event or simply to create extra space. Tents can be set up in the various outdoor areas.

3 Facilities and services

Westergasfabriek venues can be rented empty, giving you complete freedom to set your event up according to your wishes. You can also choose to have Westergasfabriek partially or completely service your event.

Together with our partners we can provide full service solutions for an event from beginning to end. We work with producers, caterers, technicians and other services specialised in the buildings of Westergasfabriek. They offer the service and quality we find important for a competitive rate.
