What a week! The PRLab team couldn't be more appreciative of you for helping our meetup come to life - we have yet to get this amount of overwhelmingly positive feedback. Thanks to Boom Chicago and its kick-ass team, the whole night went as smoothly as we always hope for. **We would absolutely love to work with you again in the future! Have a great weekend!**

Thanks for a great evening :) We have experienced it as very positive and successful. Talented actors, great service/employees and very good food (heard from many people). Was superb. **Thanks for everything! Certainly worth repeating.**
