FLOOR PLAN

When you think of Westergas, you think of the Gashouder. Anyone who has ever attended an event in this stone colossus will never forget it.

The round, industrial interior with its imposing roof exudes a grandeur that you won't experience anywhere else in the city. With a surface area of 2500 m² and a height of 14.5 metres, it is one of the most impressive locations in Amsterdam.

The Gashouder is the perfect location for special exhibitions, major presentations, parties and live shows. If you're looking for something more than the usual exhibition hall, this is the place to be.

The venue has an impressive track record. Events that have taken place here include: Edisons (Dutch pop awards), Unseen (contemporary photography fair), the Holland Festival (for international performing arts), Awakenings (dance event), The Next Web (tech fair) and KingPins (denim fair).

What makes the Gashouder even more fun is the Leidinghuisje, which is built onto it. This space lends itself perfectly as a green room, VIP area or meeting room - in combination with or separately from the Gashouder.

PRICES

Event day €12.900,00

Build-up/breakdown day €6.450,00

CAPACITY

Maximum diner 1.100 persons

Maximum theatre 1.999 persons

Maximum reception 1.999 persons

Maximum capacity 3.500 persons

SPACE

Surface 2.538 M2

Length 53,8 M

Width 53,8 M

Height 14,5 M

INTERNET

Throughout the park and in our buildings we offer a free basic wifi network (Westergas Free Wifi). Of course we also provide customised internet for events. This price is available on request.

SUSTAINABILITY

Westergas aims to be fully climate-neutral by 2025. LED lighting in the Transformatorhuis, for example, will reduce energy consumption by 45%. Want to know more? Check www.westergas.nl.

ACCESSIBILITY

Westergas is located very centrally and is easy to reach by car or public transport. The location is situated in the Westerpark, a car-free environment. You can park at Q-Park Westergasfabriek. Low-cost value cards are available through Westergas.

Prices include final cleaning, LED lighting and administration costs and exclude consumption costs (e.g. electricity and gas), location manager and 21% VAT.

Westergas works with preferred partners in the field of technique and catering. Rigging, security and machinery are required and can only be purchased through Westergas.
