# 01. ABOUT US

Welcome to WestWeelde, the event venue where anything is possible.  
Three venues, each with its own charm.

De Liefde | De Unie | Het Restaurant

Here, you'll find everything you need in one place.  
We are free. We do what we want. We are historic in our building and our experience.  
Everything is possible, we make it work. We are urban. We are Amsterdam. A little bold,  
but always with the right charm. Together, we create beloved memories. We provide a stage  
for everyone.

We are the creators of endless possibilities

## 03. TECHNICAL SPECIFICATIONS

All three locations come with a basic technical package.  
With this, we can create a fun party or formal presentation.  
Still looking for something extra? This package can be supplemented by an external party.  
Whether through you or us, in both cases, the presence of our in-house technician is mandatory.

Check the technical specifications for each location [here](#).

## 04. CATERING

Besides to serving food and beverages at The Restaurant during the summer, we also provide the catering for our business & private events. From dinner to drinks, from 5 courses at a set table to serving appetizers while you are dancing - our kitchen does it all.

In addition to an extensive assortment of delicious appetizers, we also work with full seasonal menus.

Ask your account manager for our F&B book and other possibilities.

## 05. FURNITURE

All of our venues have their own look & feel, but of course can be completely furnished to your own style.

For Het Restaurant, furniture for both the restaurant as the terrace is included. For De Liefde we have an industrial furniture package in house.

Included in this package:

- Chairs
- Dinner tables
- High tables
- Partitions
- Terrace furniture
- Parasols

If industrial is not the desired style, we can always rent another beautiful set from one of our suppliers.

De Unie is a shell location when it comes to furniture. For this, we always reach out to one of our suppliers and make a custom proposal for furniture and tableware.

# DECORATION

Ready for the finishing touch? We also have a wide range of possibilities when it comes to decoration.

Cloths and disco?	✓ Check
Flora, fauna and festival lights?	✓ Check
Tableware and table linens?	✓ Check

In addition to all decorations we already have in-house, we also like to work with external vendors and stylists.

You can always contact us for options.

# 06. TIMELINE

## The workflow

After that we will be happy to welcome you next time!

## 07. FAQ'S

The last questions

### WHAT IF I STILL WANT TO CHANGE SOMETHING AFTER AGREEING TO THE QUOTE?

No worries! We are flexible about this.  
Adjustments can be made up to 10 days in advance..

### HOW LONG IS AN OPTION VALID?

An option is valid for 14 days. We will contact you to extend the option if necessary.  
In case of no response to emails and phone calls, the option will be removed from the system.

### WHAT DOES THE EVENT MANAGER DO?

They can solve any problems, has a BHV certificate and is the contact person for the organization.

### WHY ARE WE REQUIRED TO BOOK A HOUSE TECHNICIAN?

We make this mandatory because this way we can be sure that the technology is in good hands. Our technicians are familiar with the venue and will ensure that everything regarding light and sound will run smoothly. The technician will be there about an hour/an hour and a half in advance to do prep work.

### WHERE CAN OUR GUESTS PARK?

Westerpark has been completely car-free since 2020, meaning that only destination traffic is allowed. Parking is therefore only possible on the street (van Hallstraat & Haarlemmerweg) or in the Qpark garage Westerpark, a five-minute walk from De Liefde.
