Matter of Taste

Matter of Taste is a professional catering for over 30 years where passion, experience and quality are the main ingredients. We deal with concept catering, tailor-made proposals and surprising flavor combinations.

We do this during events in Het West-Indisch Huis and at the most beautiful external locations in Amsterdam and surroundings.

Passion, flexibility, experience and knowledge are our main ingredients and this is reflected in the range. From a high-end dinner at one of our beautiful locations to an intimate drink or a spectacular party.

The Matter of Taste team is ready for you! The quality and taste of the dishes stands by Matter of Taste first!

In addition, we always cook sustainably, seasonally, locally and we follow the latest trends. Is there a theme? Then we are happy to think along about concept catering with the aim of making your event so unique as possible. From the decoration to the presentation on the plate.

As a client you can be assured that we pay our utmost attention and care to the elaboration and implementation of your event, so that you can rely on a flawless guidance and organization. Our goal? Take full control of things so that you and your guests can enjoy to the fullest.
