Het
West-
Indisch
Huis

Welcome

With its unique courtyard and three stylish event rooms, Het West-Indisch Huis is the ideal setting for celebrating and hosting your wedding.

Exclusivity, hospitality and atmosphere are the basis of an unforgettable day.

Het West-Indisch Huis is located in the center of Amsterdam and yet you experience an oasis of peace when you enter the courtyard through the gate. You can moor a boat at a lovely jetty at just a two minute walk from the venue.

Each table is decorated with a centerpiece of flowers and several lit candles. The room features large windows with heavy brown curtains, ornate chandeliers, and a high ceiling. The overall atmosphere is elegant and formal.

Our Kitchen

We always cook sustainably, locally and seasonal.

And completely to your taste.

From the decoration on the plate to the table arrangement and decoration: with us, catering goes further than putting together a menu.

We like to think with you to make your event as unique as possible, and that includes an appropriate culinary interpretation.

From a barbecue on our courtyard to a walking dinner, drink or high-end dinner:

anything is possible.

The plate contains a gourmet dish featuring a piece of seared meat, garnished with yellow and pink edible flowers, corn cobs, and green vegetables. In the background, another similar dish is visible in a dark bowl, and a silver fork lies on the table.

Matter of Taste

For more than thirty years, our in-house caterer “Matter of Taste” has been working day in and day out to create the most beautiful seasonal flavours, in which sustainability and ‘no waste policy’ are two important ingredients.

Matter of Taste stands for more than just catering and is involved in concept catering, tailor-made proposals and surprising flavor combinations. And ofcourse, good and fast communication is key.

Matter of Taste stands for professional catering with passion, flexibility, experience and knowledge. With these ingredients they are able to take care of every event down to the last detail. And all with a big smile!
