## EVENTS

## LANDMARK ON THE IJ RIVER

The world-renowned BIMHUIS jazz venue stands as a distinctive landmark on the IJ riverfront, conveniently located near Amsterdam's vibrant city center. From television broadcasts to annual meetings, congresses and private dinners, our photogenic and modern spaces provide an impressive backdrop for diverse corporate events. Our facilities include a contemporary and intimate concert hall with 250 seats, various breakout rooms and a café-restaurant offering spectacular views over the IJ river. All spaces embody the unique BIMHUIS atmosphere while featuring state-of-the-art audiovisual facilities.

## BIMHUIS, SINCE 1974

Established in 1974, BIMHUIS emerged from the radical and prominent music scene of the 1970s and has since evolved into an internationally leading jazz venue. It remains a significant cultural institution for both Amsterdam and the Netherlands.

“Excellent accessibility, location near downtown Amsterdam and our personal approach make us a top location for an unforgettable event”

Close to the bustling city center of Amsterdam and within walking distance of Central Station.

# CONCERT HALL

Our concert hall accommodates 250 seats in an arena-style configuration, ensuring an intimate atmosphere regardless of audience size. The venue is renowned for its exceptional acoustics and premium audiovisual facilities, enabling optimal presentation delivery. Through our livestreaming expertise, we can seamlessly connect with audiences worldwide.

We also offer options for larger events. We share one building with our colleagues at the Muziekgebouw, the Mövenpick hotel and PTA and can jointly host events for up to 1,900 people.

The intimate setting together with our high-quality technical facilities provide a carefree and unique event.

- FEATURES OF OUR CONCERT HALL**
- Top quality audiovisual technology
  - View over the city center of Amsterdam
  - Intimate atmosphere
  - Congress, symposium, meeting, presentation, lecture, training or workshop.

## CAFÉ

The BIMHUIS Café offers a breathtaking view over the IJ river and Amsterdam cityscape through its panoramic glass walls. This atmospheric space connects directly to the concert hall, making it ideal for coffee and lunch breaks during events or for breakout sessions.

The café is perfect for atmospheric walking dinners and receptions. At the bar, various drink arrangements and delicious appetizers are offered, allowing guests to be indulged in style.

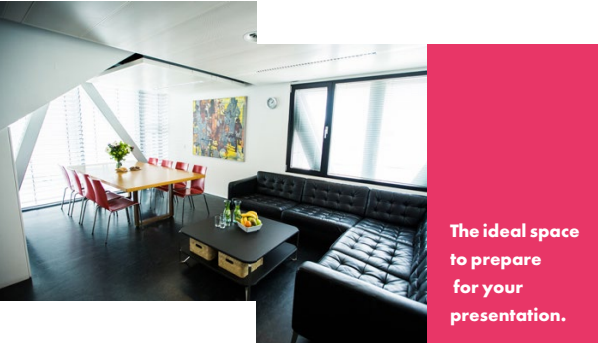

Due to its connection with the concert hall, the café is highly suitable as a breakout space or for coffee and lunch breaks during events in the concert hall.

# MEETING ROOMS

BIMHUIS offers several smaller spaces perfectly suited as breakout rooms for your event in our concert hall. The Green Room provides spectacular views over the IJ river, while the Meeting Room is equipped with a projector and sound system suitable for presentations.

# ATRIUM

Together with the Muziekgebouw we share the Atrium; a bright, high-ceilinged public space of 500 m<sup>2</sup>, suitable for receptions, drinks, exhibitions or trade shows with stands. This space is available for rent in combination with our concert hall.

## CATERING

We understand that exceptional food and beverage service is crucial to event success. We work closely with you to map out your guests' catering requirements.

Whether you need premium coffee service, efficient lunch options, or an elegant dinner, we deliver with expertise. Our menu features exclusively organic products.

Our chef Massimo caters to your culinary needs with a healthy selection of organic and pure products, free from additives.

## LIVE MUSIC AT YOUR EVENT

BIMHUIS brings world-class musicians to your event. Whether you prefer an intimate solo pianist, an energetic brass ensemble, a captivating vocal duo, or classic jazz; we provide artists who know exactly how to strike the right note. No standard setlists but customized music that touches and surprises your guests. With our network of professional musicians, your event won't just be good – it will be unforgettable.

**BIMHUIS is the most famous jazz venue in the Netherlands and ranks among the top international jazz venues.**

## VIDEO STREAMING & RECORDING

BIMHUIS is recognized for its state-of-the-art facilities, regularly hosting TV and radio recordings. Our live video streaming and recording services enable guests to participate in your event from anywhere in the world. We utilize seven remote-controlled HD cameras for flawless audio and video capture. Slides from presentations can seamlessly be integrated into the broadcast, while camera operation and sound mixing are professionally managed from our control room. The event is live-streamed through our high-speed internet connection and a high-quality HD video recording of the entire production is available. With BIMHUIS, you're not only hosting an unforgettable event but also delivering a top-quality production.

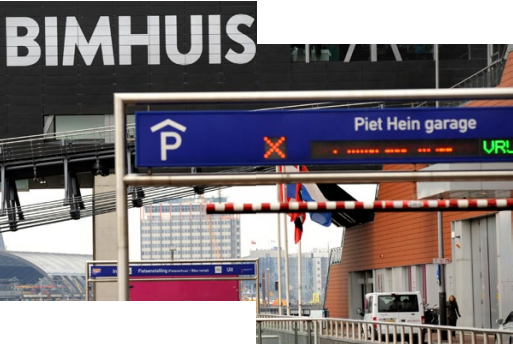

ACCESSIBILITY

BIMHUIS occupies a premium location in Amsterdam. Within walking distance of Central Station and served by its own tram stop (Muziekgebouw/BIMHUIS) with departures every 10 minutes to and from the station. Arriving by bicycle? We offer covered bicycle parking. We're also easily accessible by car from the ring road, with convenient parking available in the Piet Hein garage directly beneath our building.

SUSTAINABILITY

At BIMHUIS, sustainability is top priority. Our building proudly holds the BREEAM-NL Certificate, awarded in 2019, recognizing our environmental responsibility. In our kitchen, we work exclusively with organic ingredients, predominantly vegetarian and sourced as much as possible from Amsterdam and its surroundings. Additionally, we actively engage in sustainable projects within the music industry, both nationally and internationally.

On our roof nearly 1,000 solar panels generate 15% of the energy we use.
