DE HALLEN STUDIO'S
EVENTS & TV-PRODUCTIONS

NICE TO MEET

On the westside of Amsterdam, at a short distance from Leidsesquare, you will find De Hallen Studio's.

An event venue with multipurpose studio's, in the characteristic industrial setting from the old tramdepot.

A dynamic mix of events and tv-productions take place on a daily basis in our studio's.

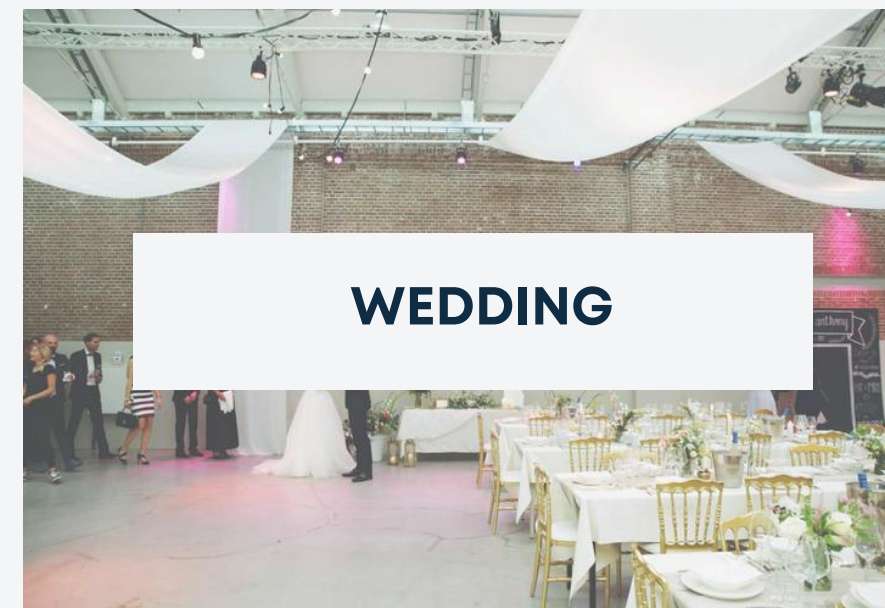

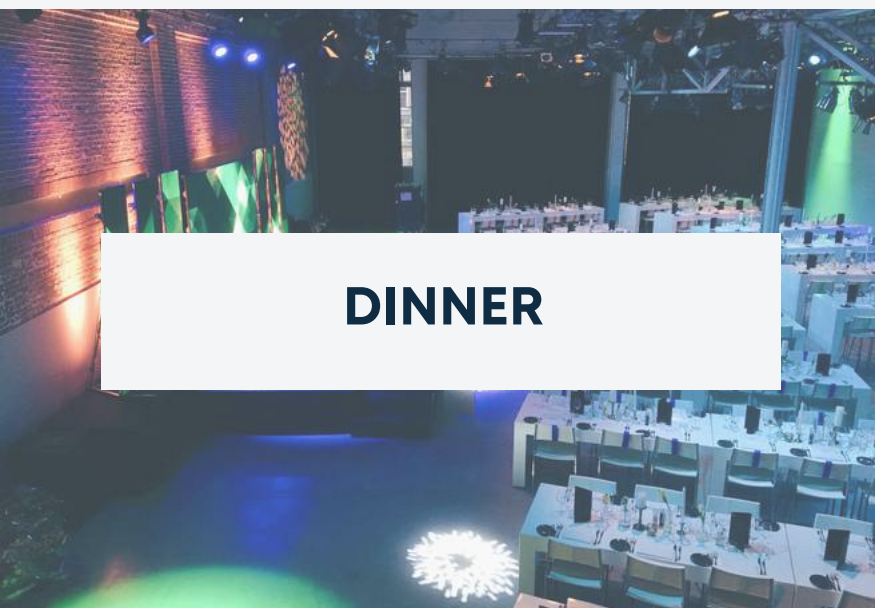

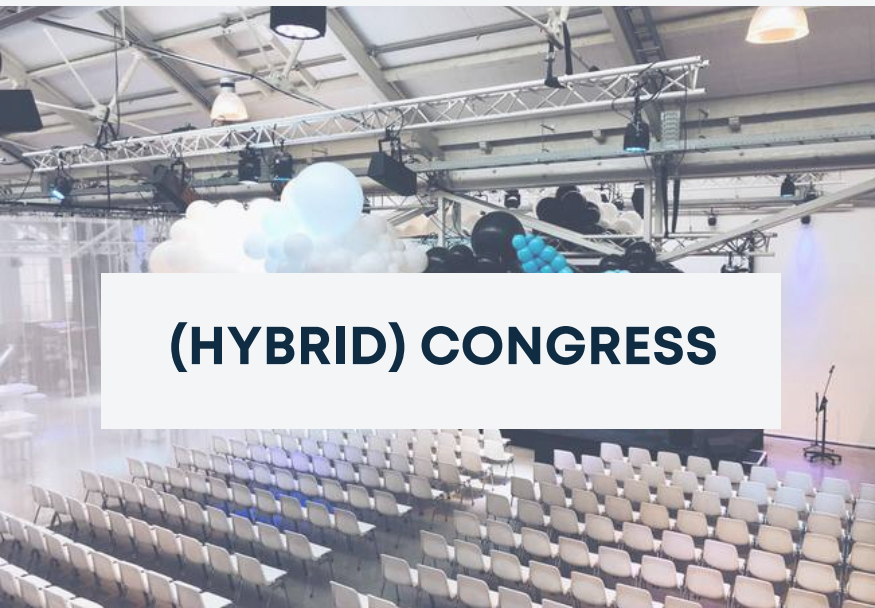

DE HALLEN STUDIO'S

DISCOVER

With a no-nonsense approach we dare to take on all kinds of challenges.

We also love creating memorable experiences together.

Foyer

The entrance to De Hallen Studio's is located in the passage of De Hallen Amsterdam. Walk through the large tram doors into a warm and functional entrance space.

This area can be used in combination for bigger events, such as with Studio 2, but it is also available for exclusive hire (often in combination with the loft), depending on availability.

This is what we do.

Our mission is to be a dynamic event location where we always think outside the box with creativity and guts.

We imagine every event is a game and we are here to win it together with you.

With a lot of personal attention before and during the event, we try to provide everyone involved with a memorable experience.

the Loft

The Loft is an excellent base for a breakout, meeting, or workshop space. Located as a mezzanine in the foyer with views over De Hallen passage.

The space has (possibly) its own entrance and restroom facilities, as well as a small kitchen. It can be rented exclusively or in combination with the Foyer.

Studio 1

Known as the “white box,” this studio can be transformed into any desired decor. Currently, Studio 1 serves as an AVRO-TROS TV studio for the program Eva, broadcast live Monday to Thursday.

Behind the scenes, we have a fully integrated control room in collaboration with NEP, making TV productions possible in both Studio 1 and Studio 2.

This is who we are.

WE ARE: NO-NONSENSE

We are not scared. Surprise us with your request! #challengeaccepted

WE ARE: ENGAGED

Feel at home. Together we create the most beautiful experiences.

WE ARE: SLIGHTLY DIFFERENT

And we love it! We are multitaskers; your set builder, your tech or your chef. We transform into what you need most from us.

Studio 2

The characteristic old elements of the tram depot give this space its charm. The largest doors, the brick wall, and the daylight streaming through the old trusses form the basis of its unique decor.

A multifunctional space for TV & events, it is large-scale but can be adjusted for smaller gatherings using partitions. The space features natural daylight but can also be darkened.

This is what we stand for.

Run a sustainable business. We think it's important to do our part.

Climate installation

We save more than 340 tons of CO2 per year with an installation that stores water for heating/cooling throughout the year.

Lightning

Lightning more than 1500 m2 requires electricity. All lighting is LED in order to save resources and money.

Waste separation

Events produce a lot of waste in a short time. This is where we can make an impact! We separate paper, plastic, glass and residual waste.

Partners

We look for sustainable partners. For example, caterers who are innovative in this field with no-waste principles and using the right mastic.

Denim City

Entrance to the location from De Hallen passage. Perfect for registration, cloakroom, breakouts, breaks, guest receptions, and, for example, networking drinks.

De Kanarie Club

"Located at Bellamyplein near Studio 2 is the atmospheric Kanarie Club. Both the restaurant, the terrace, and the Poolbar can be used for catering and breakouts.

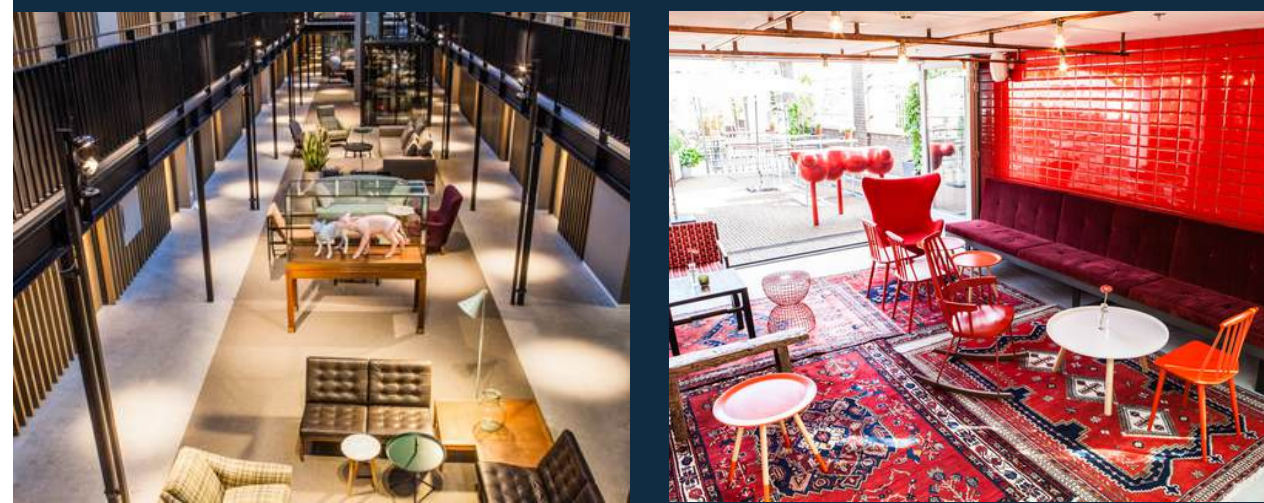

BEHIND THE SCENES

There are six changing rooms, a production area, make-up, kitchen facilities, technical areas, etc.

These spaces are perfect for accommodating acts, crew, dinner guests and more.

Hotel de Hallen

In addition to rooms, Hotel de Hallen also offers the option to rent the restaurant or the red bar, including the terrace.
